Eliminating Discrimination

The Trust and its schools are aware of their obligations under the Equality Act 2010 and complies with non-discrimination provisions. Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

All staff are expected to deal with any discriminatory incidents that may occur. They are expected to know how to identify and challenge prejudice and stereotyping; and to support the full range of diverse needs according to a pupil's individual circumstances.

All stakeholders should be aware of both direct and indirect discrimination and understand the differences. Direct discrimination occurs when one person treats another less favourably because of a protected characteristic. Indirect discrimination occurs when a 'provision, criterion or practice' is applied generally but has the effect of putting people with a protected characteristic at a disadvantage.

Racist and homophobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present, escalating to Class Teacher/ Headteacher where necessary. All incidents are reported to the Headteacher and racist incidents are reported to the Local Education Committee on a termly basis.

Equality Objectives

As set out in the DfE guidance on the Equality Act, each school will set its own appropriate objectives to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have
- Taking steps to meet the particular needs of people who have a particular characteristic
- Encouraging people who have a particular characteristic to participate fully in any activities

In fulfilling this aspect of the duty, the school will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information
- Gather further data about any issues associated with particular protected characteristics, identifying any issues which could affect its pupils

These objectives will be made available on each school's website.

Monitoring Arrangements

The Connect Education Trust will ensure that the equality information published on its websites and updated regularly. This policy will be reviewed every four years by the Board of Trustees.
