Feedback from Parent Survey November 2022

Thanks for taking the time to complete our recent survey. It's important for us to hear your thoughts and gives us the opportunity to address any queries or concerns you may have.

We have read every single response received and the comments submitted. We will complete another survey when we move as quite a lot of parents mentioned the new building and looking forward to the move.

We also had a lot of responses for people looking to attend Parent Events at Fern House. We will send out information on these in due course. Also

We will leave you with some of the comments you said about Fern House School

"The staff at Fern House are amazing human beings, the compassion and difference they have and make to our children - children deemed too difficult for mainstream - has such an impact on their lives and futures, being heard and understood and having a place to feel accepted enables them to face their difficulties and fulfil their potential, I will be forever grateful."

"I have felt that my son is really supported, the staff are amazing and have so much patience and understanding. As a parent I feel that they never judge, they truly understand my sons needs and I know he is finally in the right place. Thank you"

*"A big thank you to all of you. Your all amazing. For the first time in **** years at school I feel very relaxed while **** is in school. Again thank you so much xx"*

"Can't wait for the school to be finished so students have more room."

"Communication has been excellent this year!"

Executive Headteacher | Zoe Hussain
Heads of School | Charlotte Taylor & John Puddefoot
