

Reading Activity

Imagine you had lost your favourite thing in the world, just like Dave lost Dogger.

Write about what you lost and where you looked for it in your house. Remember to use lots of prepositions just like we have been learning about all week.

Here is how you may want to start...

*I woke up this morning and I could not find my mobile phone anywhere! I looked **under** my bed in case it got knocked **under** there last night. I ran **into** my kitchen and lifted **up** the bin to see if it had fallen **behind** it when I took the rubbish **out** yesterday.*
