## Is This a Positive or a Negative Relationship?

Please read each statement and decide whether you think this relationship is positive or negative.

You can do this on your own, with an adult or as a whole class discussion

You can do this on your own, with an adult or as a whole class	discussion.
1. My mum and dad argue all the time. As soon as my dad start shouting at each other.	d walks into the house they
Positive Negative	
Why?	
2. My best friend is always telling me to do things, she because I wouldn't stay out with her.	even took my phone off me
Positive Negative	
Why?	
3. My brother waits for me when I come out of school walking home in the dark on my own.	because he doesn't like me
Positive Negative	
Why?	
4. My dad doesn't like my mum going out.	
Positive Negative	
Why?	
5. My mum told my brother he wasn't allowed to see his friends for a week because he got into trouble at school.	
Positive Negative	
Why?	
Can you think of some of your own statements to discuss with an adult?	
Can you say whether you think they are positive or negative examples of relationships and most importantly <b>why</b> you think that?
